We continue to have an excessive amount of students late to school daily. Students leave morning line-up for their classrooms at 8:25. All students should be in their classroom and ready to begin their day by 8:30 am when the second bell rings. The instructional period begins promptly at 8:30 am. Any students arriving at 8:30 or later will be marked tardy. Students arriving late are disruptive to the classroom routine and miss valuable instruction. Please make every effort to have students here by 8:20 am.
